

WELCOME TO GOLDEN HARVEST FARMS - PICK YOUR OWN!

At 87 Maple Lane South (1/2 mile from Roadstand – see directions below)

Saturday & Sunday, September 9 – October 22 + Columbus Day

9:00 AM – 4:00 PM (start picking by)

The way we do Pick Your Own at Golden Harvest is simply to charge one price for a picking bag, which includes everything (plus BONUS gift!) We do not weigh your apples or check your trunk. We are glad to have you casually wander or travel by tractor wagon, over our 40 acres of PYO orchard. This year we have 10 varieties and you are welcome to sample and pick some of each!

For \$20.00 per picking bag (no price increase in years) we gladly provide:

Free sturdy, handled, rain proof ½ bushel picking bag (it holds 20-22 lbs of apples)

Free tractor wagon rides around the ponds and orchards

Picnic tables and sanitation facility

Wagon carts free for your use (for deposit)

Free apple cider donut coupon (voted Best in Capital Region for past 4 years!)

BONUS gift:

In case we don't have your favorite apples available for picking we'll give you a coupon for 25% off any size basket for any type of apple at our Roadstand.

NOTE: Pick Your Own is at 87 Maple Lane South (½ mile from the Golden Harvest Roadstand.) There's plenty of free parking and credit cards are accepted at the PYO Orchard. We love them -- but we cannot allow dogs in the orchard.
